MIRTH

SEP 17TH: AFTER A MEAL IN A VERY FAMOUS PUB WE VISIT AN AMAZING BUT LITTLE KNOWN PRIVATE BIRD SANCTUARY A SHORT DISTANCE AWAY

I stumbled across this gem of a bird sanctuary on a country walk recently. Dan Aldersley has given an enormous amount of time, thought, energy and resources to nurture an exotic variety of species. Dan has kindly agreed to give us a private viewing with an accompanying talk.

OCT 15TH: TRAVELS IN AMERICA – CHRIS FORSE

After the first two visits that Chris made to MIRTH were so appreciated we are delighted that he is returning to give an illustrated talk on his extensive travels in North America.

NOV 19TH: WARWICKSHIRE AIRFIELDS OF WORLD WAR 2 – MEL TWEED

Mel's love of aircraft will no doubt come across in this illustrated and very interesting trip back 80 years ago to a well researched look at war hit Warwickshire.

DEC 17TH: THE CHRISTMAS “DO”

This happy annual festive occasion will take place in a local restaurant with a great meal and special entertainment. As usual wives / partners / girlfriends very warmly welcome to join us.
